ABOUT US

Staff

Our staff is composed of experienced coaches in Spanish Soccer with UEFA licenses. All of them have years of experience with top level players!

Methodology

Our partnerships with semi-pro teams allow players to train and play under the most advanced methodologies.

Objectives

We offer programs based on technical, tactical, physical, psychological and nutritional training. Also, an academic program is offered.

ICT SOCCER TEAMS

Veriña CF

Founded in 1960, it is one of the most prestigious soccer clubs in northern Spain. With teams in the highest divisions, our players will be able to join the squad and show their skills against top competition

UC Ceares

Since the end of the 40's of the 20th century, UC Ceares has become a historical club in semi-professional soccer. Our players, after playing for Veriña, could have their chance to play semi-pro.

CD Covadonga

One of the most important clubs in the north, has experienced significant growth in recent years, with both its senior and youth teams competing in professional football.

Gijón Femenino

Gijón Femenino is a pioneer club in Asturian soccer since 2000. The girls will have the opportunity to be part of this team and show their skills in the Spanish league, playing against some of the best players of the country.
